※

1. Ph.D degree research paper must be written in English starting from the new students of 2006-2nd semester.
- When Ph.D degree paper needs to be written in Korean, student must be admitted by submitting Korean-writing-request. (Compulsory)
- Format can be downloaded at the graduate school homepage.
2. Ph. Degree student must publish one's paper in a year from the date that one has received the degree.
3. It is impossible to enter the data at the portal system after the due-date.
4. Check one's English name(Passport) and phone number on the portal system. (It will be printed out on the degree paper and all other certificates.)
5. If there's any changes of the paper title or the format, a student must require the department office to change on the portal system.
6. Students must keep the final paper submission due-date. (Consider the evaluation committee's business trip schedule and etc. to get the confirmation on time)
7. Refer to the graduate school homepage(<http://graduate.yonsei.ac.kr>) for the research paper qualification and set-up.
8. Scheduled degree conferment certificate can be issued from 2021. 11. 1.
